APPRECIATION

- ▶ A very thank you to Mr. Andy Lim, Miss Violet Lee and Miss Farah for the tremendous time and energy to spent your time during one month internship training.
- ▶ Thank to all seniors that always guide and taught me many advices and skills to be more confident to talk. There are a lot of new knowledge that I have learnt.
- ▶ Thank to my family because support me in this career.
- ▶ Special thanks to all my internmates that always support each others. Thanks for all of the memories than we have been through.
- ▶ From this training programme, I set my dream is not just a dream but will achieve my dream.

SPECIAL THANK TO...

An internship training where you will surely gain a lot of knowledge that was not taught in class. We gain more knowledge on financial planning, family protection planning and etc.

I would personally recommending this internship to other students, whom seeking for a clearer career pathway.

WHEN YOU ARE YOUNG, WORK TO LEARN NOT TO EARN. OUR TIME IS NOW.
