CERTIFICATION CEREMONY

This one month internship program give me experience in recognize people with different attitude and perception.

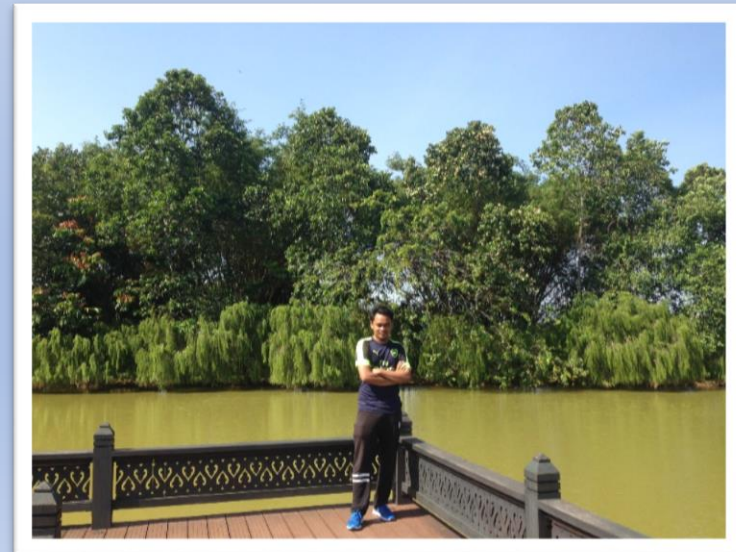

This internship give me lot of knowledge about financial planning and exposure of takaful.

If I did not join this career, I might not get this knowledge further.

This program will give you more relax as it bring you to travel that place we rare to visit.

This program teach me to be more professional to talk with people especially with strangers.

I am very thankful joined this career as it give me the crucial knowledge that can not be repay to Mr Andy and Ms Violet.

THANK YOU MY INTERNMATES
