# APPRECIATION

I take this opportunity to express all my appreciation and honest thanks to both of my heroes which is Mr. Andy Lim and Ms. Violet for the tremendous time and energy you have spent during our one month internship training.

I really enjoyed my time here. Although it quite packed and intensive, it makes me energetic as the programme really great and I learnt many things.

There are a lot of new knowledges that we have learnt especially anything that related with this career.

Thank you for all the supports that you gave to us which is something that cannot be replaced.

Million thanks also to the staffs Amir, Farah and Ain for helping us during our hard time and always bear with our entertainment during everyday classes. I would personally recommending this internship to other students, whom seeking for a clearer career pathway. Thanks a lot!

THANK YOU !

GO FORWARD !
