* THEY CHANGED MY PERSPECTIVE

- * This career nobody would like even myself. After a week, changed everything ! From I don't want and don't know, I absolutely say yes for this career.
- * The lecture just nice and simple conducted by Mr Andy Lim and Mr Amir. Really not tough. Laughing and joking every single time.
- * We are 4 and introducing my intern-mate which is Ammar, Shima and Shora. We become closed just 2 days !

* SO RELAX INTERNSHIP

- * In spite of gain knowledge in the class, this program were gives me the opportunity to learn more by travelled at many places and visit trip during one whole month.
- * We were going to Menara Great Eastern HQ (KL), Great Eastern (branch), Icon City, Forest City, Legoland, Puteri Harbour, Pulai Mount (Kulai) and many more.

* KL VISIT

* FOREST CITY

* LEGOLAND & PUTERI HARBOUR

* HIKING MOUNT PULAI

* TBE EXAM &
CASH FLOW GAME

* OTHERS MEMORIES TO BE MEMORIZE

* *Whoever see my slide....*

- ❖ This internship program very useful and the knowledge you will use in daily lives.
- ❖ It may create your desire career which are time freedom and financial freedom which sky is the limit.
- ❖ This internship could make you decide who you are and who you want to be in a long term.
- ❖ You can develop and improves soft skill in communication and confidence.
- ❖ The career in this industry encourage you to be more patient, friendly, not give-up and feel to help others.

* *Appreciation*

- A very much thank you to Mr. Andy Lim and Ms. Violet Lee for show and invite me to join this industry.
- Thanks to Mr. Amir that lead my intern during the class and all the time we need.
- Thank you to all seniors who have shared tips and knowledge what to do and what he done to maintain success.
- Thankful to my family because always supports me no matter what industry that I chosen.
- Special thanks to all my fellow intern-mate. I love you all much more. Thanks for all of the memories. From now, we can kick start and grow together and see you at the top. **OUR TIME IS NOW !**

Collaboration
